

# The Disengagement of Statutory Instrument. 971

Allan Smillie.

# Welcome

What is Si971?

What is its potential?

The current state of Si971

Why is it like this?

What does awesome look like?

How we will fix this today

---

# What is Si971?

# The Potential

Bring balance to the forces of cost and safety

Reduce conflict

Bring knowledge and experience together

Provide the expectations for platform safety

Reduce costs and TRCF

Champion of safety

Inspire employees to do more

Involved in our company

Change behaviours

Resolve issues

Imagine if we still thought this way

---

# The Current State of Si971

---

# Why is it like this?

# Areas of engagement focus

**Consistency**

**Ability**

**Quality**

**Coverage**

**Desire**

# Five areas mean different things to :-

**Leadership**

**Workforce**
