

Operator WORKBENCH

Operator Workbench

Using mobile technology to digitise processes to improve safety and efficiency for front line operations

Vision & Benefits

Using mobile technology to digitize processes to improve safety and efficiency for front line operations

Improved Safety

Higher Reliability

Increased Wrenchtime

Increased Collaboration

Devices

ecom	iSAFE	Aegex
<p>Tab-Ex 01*</p>  <p>Size: 8" Android OS: 5.1 Certification: Global Memory: 1.5GB RAM + 16GB internal memory expansion (optional 64GB microSD-Card)</p>	<p>IS-910.1**</p>  <p>Size: 8" Android OS: 7 Certification: ATEX Only Memory: 16 GB ROM and 2 GB RAM MicroSD-card up-gradable up to 64GB</p>	<p>Aegex 10***</p>  <p>Size: 10" Android OS: 6 Beta Certification: Global Memory: 128GB storage / 4GB RAM. Micro-SD Support up to 2TB</p>
<p>Smart-Ex 01*</p>  <p>Size: 4" Android OS: 5.1 Certification: Global Memory: User memory 12 GB 16 GB Internal Storage / 1GB RAM</p>	<p>IS-520.1**</p>  <p>Size: 4.5" Android OS: 7 Certification: ATEX only Memory: 2GB RAM / 16GB ROM MicroSD Expandable up to 64GB</p>	<p>Other</p> <p>*Newer devices available in 2019. Android OS 8</p> <p>**Currently awaiting CSA Certification</p>
